Draw and color YOUR picture of St. Paul here!

Paul was a smart and determined man. One day, he saw a bright light and heard Jesus calling him to be a great teacher.

Paul was determined to be a great teacher. Certain people didn't like this. They put him in jail some-times. There he wrote letters so he could keep teaching.

One day he hid so they didn't find him.

But Paul was so determined to teach about Jesus, he went on dangerous trips to see people.

Over many years, Paul told hundreds of people about Jesus, for he was a very determined man!
